INSURANCE FACTS YOU SHOULD KNOW

- **It is your responsibility to notify us of any changes to your health and/or dental insurance prior to your child's visit.**

- Our Pediatric Dentists are **ONLY** in Network with DELTA DENTAL PREMIER.
  We are NOT in Network with DELTA DENTAL PPO + PREMIER, Advantage or any other insurance carrier. This means that unless your insurance carrier is DELTA DENTAL PREMIER, all benefits quoted are only **ESTIMATED** and you may have a balance after your insurance carrier pays their portion, including preventive services. You are responsible for all balances not paid by your insurance carrier.

- Some dental services may not be covered by your insurance carrier. For example, fluoride treatments and dental sealants may be covered up to a certain age, or an emergency examination may be grouped with your yearly limit of examinations.

- The American Dental Association (ADA) considers anyone over and including the age of 14 to be considered an adult for insurance coverage benefits. Your insurance coverage may or may not cover all of the fee for an adult cleaning. This may result in a small remaining balance which is your responsibility.

- **As a courtesy, Pediatric Dentistry and Orthodontics of Midland Park will verify your dental insurance coverage prior to your child's visit. It is NOT the responsibility of Pediatric Dentistry and Orthodontics of Midland Park to know YOUR insurance coverage.** It is your responsibility to know your insurance plan and covered benefits and to inform our receptionists of any changes to your insurance coverage. Most dental insurances limit examinations and dental cleanings to twice a year and require 6 months and a day before providing coverage. Coming prior to that date may result in denial of coverage. If you choose to bring your child earlier, it is your responsibility to check with your insurance carrier to assure coverage.

I have read the above facts and understand that it is my responsibility to notify Pediatric Dentistry and Orthodontics of Midland Park of any changes to my insurance and that any balance left after my insurance carrier has paid their portion will be my responsibility.
